Mr. Robert J. Kleberg, Jr.

Dear Bob:

Many thanks for the memorandum on the Cuban situation which you were so thoughtful to send me.

I have read it with a great deal of interest and, from an intelligence point of view, consider the remarks most timely and constructive.

It was certainly a real pleasure seeing you again and I hope that it may not be too long before we get together for another good talk.

With every best wish and kindest personal regards.

Sincerely,

SIGNED
